

Faculty Development Program (Hybrid Mode)

on AI for Next Gen Automation & Predictive Insights

Organized by
Department of CST, CSIT,
CSE (Networks), &
CSE (Cybersecurity)
University of Engineering and
Management, Kolkata
in collaboration with
HRDC, IEM-UEM Group

DATES: 25th Aug, 2025 – 29th Aug, 2025

Organizing Committee

Prof. (Dr.) Sankhadeep Chatterjee
Prof. Kamalika Bhowal
Prof. (Dr.) Anirban Ganguly

Objectives of the FDP

- Introduce Core Concepts of AI and ML
- Demonstrate AI Applications in various Automation Domains
- Explore Predictive Analytics and Insight Generation
- Enable Hands-On Exposure with AI Tools and Frameworks
- Strengthen Industry-Academia Collaboration for AI Adoption

Resource Persons

Prof. (Dr.) Asit Kumar Das
Professor
Dept. of CST
IIEST Shibpur
Session
Date: 25.08.2025
Time: 4:15pm onwards

Prof. (Dr.) Sudip Roy
Associate Professor
Dept. of CSE
IIT Roorkee
Session
Date: 26.08.2025
Time: 4:15pm onwards

Mr. Aritra Nag
Senior Cloud Architect
AWS
Session
Date: 27.08.2025
Time: 4:15pm onwards

Prof. (Dr.) Satyendra Nath Mandal
Assistant Professor
Dept. of IT
Kalyani Govt. Engineering College
Session
Date: 28.08.2025
Time: 4:15pm onwards

Prof. (Dr.) Maheshkumar H. Kolekar
Associate Professor
Dept. of EE
IIT Patna
Session
Date: 29.08.2025
Time: 4:15pm onwards

Organized by
Department of CST, CSIT,
CSE (Networks), &
CSE (Cybersecurity)
